PROFESSIONAL PROFILE

Multi-skilled educator with expansive knowledge, skills, and abilities in astronomy and astrophysics, and a background in teaching and tutoring students in math and science courses from the middle school to the graduate level. Seeking position enabling me to apply my educational credentials and scientific interests in an academic setting. Published and accomplished with a strong dossier of experiences, including teaching at the graduate, under-graduate, high school, and middle school level, academic research, papers, and presentations, as well as extensive coding and software development. Ideal for the right position in a teaching or research institution valuing strong academic experience coupled with expertise to a variety of technical applications.

EDUCATION

THE PENNSYLVANIA STATE UNIVERSITY
Ph.D., Astronomy & Astrophysics, December 2018
Advisors: Jane Charlton and Mike Eracleous
Research: Cataloguing, Analyzing, and Modeling Quasar Intrinsic Absorption Lines

FLORIDA INSTITUTE OF TECHNOLOGY
Bachelor of Science, Physics, Cum Laude, May 2009
Bachelor of Science, Space Sciences: Astronomy and Astrophysics, Cum Laude, May 2009
Advisor: Dr. Hakeem Oluseyi | **Research:** LSST simulations, solar mapping

EMPLOYMENT

Tutoring, Various Companies
Tutor (Winter 2019-present)
Tilden Preparatory School Walnut Creek, CA
Teacher (Summer 2020-Summer 2022)
Penn State University, Department of Astronomy & Astrophysics University Park, PA
Graduate Research Assistant (Summer 2009, Fall 2010 and May 2011-December 2018)

Penn State University, Department of Astronomy & Astrophysics University Park, PA
Graduate Teaching Assistant (Fall 2009-Spring 2010 and Spring 2011)

University of Washington, REU Student (June-August 2008) Seattle, WA
Research Project: Simulated LSST Survey of RR Lyrae Stars throughout the Local Group
Advisor: Dr. Andrew Becker

Florida Institute of Technology, Department of Physics and Space Melbourne, FL
Undergraduate Research Assistant, Sciences (January 2008-May 2009)
Advisor: Dr. Hakeem Oluseyi

TEACHING

- Math and Science Teacher at Tilden Preparatory School (Summer 2020-Summer 2022)
    - Taught high school math courses from Geometry through AP Calculus
    - Science Courses including high school and AP Physics, Chemistry, and Biology
- Tutoring (Spring 2019-Present)
    - Undergraduate through graduate level Astronomy Courses
    - High School through graduate level Physics Courses
    - High School through graduate level Math Courses
- Substitute Instructor, various undergraduate astronomy courses (Fall 2016-Summer 2019)
- Teaching Assistant/Lab Instructor, Astronomy 001, The Astronomical Universe (Spring 2011)
- Instructor, Astronomy 011, Elementary Astro Lab (Fall 2009 and Spring 2010)

Mobile: 585.781.0253 | *Email:* cculliton848@gmail.com

PUBLIC OUTREACH

- AstroFest Volunteer (Summer 2009-2014) & AstroFest Volunteer and Organizer (Summer 2015-2019)…*four day Department of Astronomy & Astrophysics public outreach program overlapping with ArtsFest in State College, Pennsylvania.*
- AstroNight (Fall 2009-2018)…*Penn State Department of Astronomy & Astrophysics Parents' Weekend outreach program.*
- Planetarium shows for groups visiting the Astronomy & Astrophysics Department.

PROFESSIONAL MEMBERSHIPS

American Astronomical Society (10/2012-Present)
Sigma Pi Sigma, Physics Honor Society (inducted 2008)

TECHNICAL PROFICIENCIES

Coding: Python™ | Interactive Data Language (IDL)® | LaTeX | Java™ | C++ | Fortran

Telescopes: Experience using various telescopes, including Hubble Space Telescope and Very Large Telescope (VLT).
